

MAPLON®

Sheets

Maplon® is a Solid Polypropylene sheet that is fully Recyclable! Being environmentally friendly AND priced competitively are only two of the reasons why Maplon® is the perfect media for printed signage and point-of-sale advertising.

Maplon® sheets are used in many different applications such as signage, POP, POS, labels, flower tags, packaging, stationery and other applications including thermoforming.

With a wide format and 0% light transmission Maplon® sheets are ideal for multiple types of printing such as Screen printing, Offset and Digital.

Thickness range	180 to 3500 microns/ .007 to .140"
Maximum width	1600mm / 63" (depends on thickness)
Colors	Clear, Whites and various standard colors and opacities
Standard embossing options	Satin/Satin, Sand/Satin, Sand/Sand, Sand/Orange, Gloss/Gloss, Gloss/Diagonal

MAPLON® at a glance

- 100% Recyclable
- Outdoor Rated for 1 year against yellowing
- Not brittle so it won't chip or break as easily
- High chemical resistance
- Printed on UV Digital & Screen press
- Enhances ink adhesion through low ink consumption
